APOLLO WHEEL LOADER TYRES

APOLLO AWL 822
29.5-25 28PR L5
26.5-25 28PR L5
23.5-25 20PR L5

APOLLO AWL 822

Superior Performance for Non Stop Operations

- Stiffer nylon casing for **withstanding heavy loads and maintaining** structural integrity of the tyre
- Premium grade compounds to **enhance cut, chip and abrasion resistance**

Long Life for highest return on investment

- Specially designed tread pattern with tie bar **preventing lug shuffling**
- Shoulder guards and stiff sidewall to **prevent damage and abrasion to sidewalls**

Designed for Reliability

- Tapered groove with stone ejector to **avoid carcass penetration**
- Strong bead to ensure firm sitting on the rim for **maximizing torque delivery**
